AUGUST
2014

BLUE LIGHTNIN' REPORT

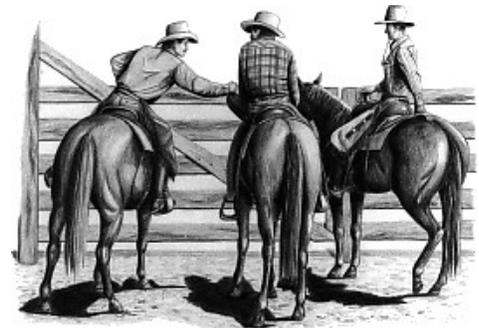

Blue Lightnin' is the cowboy slang for six gun, and since we've got a fight on our hands "takin back the state of Oklahoma for Christ" what better name than Blue Lightnin' Report?
God needs us to pull the trigger cuz just pointin' your gun won't "Get-R-Done!"

God needs us to ride for His Brand.

If you've worked on a ranch
you know what I'm sayin'.

It's a job that you don't walk away from
at the end of the day. It's 24/7.
You're constantly checkin' calves,
feeding cows and makin' sure
the fences ain't down.

To some it may not sound like that great of a job but
if you've done it then you know what I'm talkin' about.

I ain't sayin' it's easy and I ain't sayin' there won't
be times when it's downright hard but at the end
of the day you've really done something!

Whether it be helping a mamma cow by pulling her
calf so that it will have life, vaccinating them to shield
them from disease and death, or just giving them
the feed they need to live, it's all part of the life.

God needs us to cowboy for Him!

John Wayne said, "Courage is being scared to death and saddling up anyway!"

What scares you? Would facing a giant scare you?

David did it. (I Samuel 17:37-50)

Would walking into a fiery furnace scare you?

Meshach, Shadrach & Abednego did it.(Daniel 3:16-29)

Would being put into a den of lions scare you?

Daniel did it. (Daniel 6: 16-23)

Would getting out of a boat in the middle of a lake scare you?

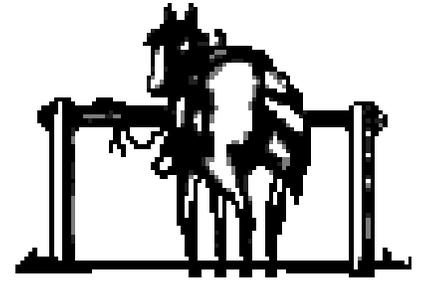

Peter did it. (Matthew 14:29)

All these people did what they did because they believed God.

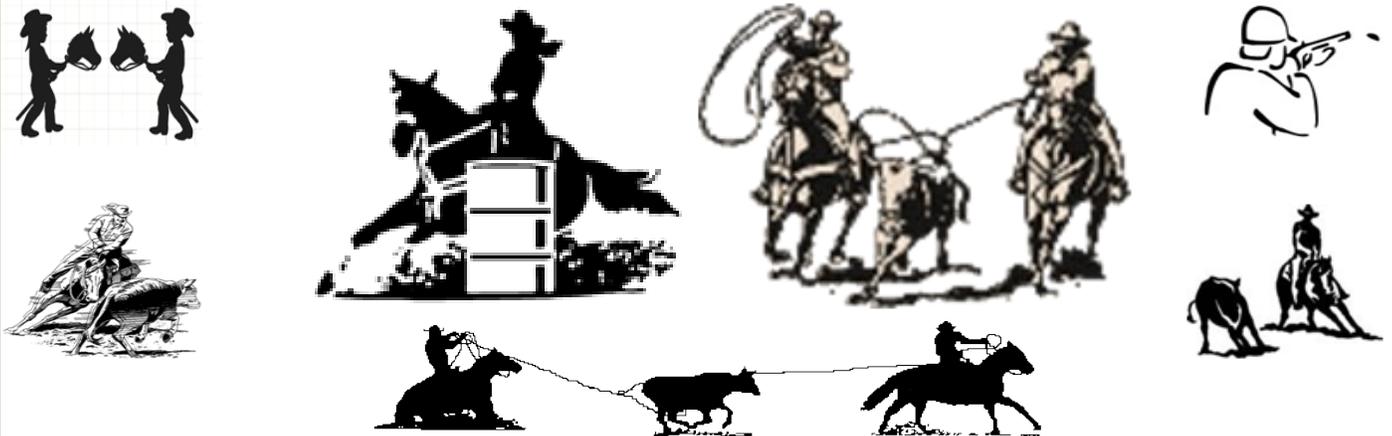

Not just because they believed in Him, but because they believed Him. Faith.

And Jesus did it too. (I Peter 3:18) He died a horrible death, crucified on the cross, to save all of us...a bunch of messed up, imperfect and undeserving people.

And He was scared too...but He did it anyway. What can we do?
